

Changes to the District Calendar

On February 27, District 112 will change to a transitional calendar until the end of June. This is needed because of expiring software licences, and because the decision to use a calendar beyond June rests with the 2026-2027 District Executive.

To display the Calendar, click the “Calendar” link on any webpage.

The transitional calendar is similar to the current one, but uses a simpler format. The main screen is below:

The screenshot shows the official website of District 112 of Toastmasters International. The header includes the Toastmasters logo, a search bar, and links for Home, About Us, Contact, Short Courses, and FIND MY LOCAL CLUB. Below the header is a navigation bar with links for Links for Members, Calendar, District, Directory, Pathways, and Website Login. A prominent red banner at the top says "Transitional Calendar For D112". Below the banner, a sub-instruction says "Click into an event, then click the event title for a better view." Another note says "To add an event, please use our [Event Suggestion Form](#) – this calendar does not let you add or suggest events directly." The main content is a monthly calendar for February 2026. The days of the week are labeled SUN, MON, TUE, WED, THU, FRI, and SAT. Each day cell contains a date and any scheduled events. For example, on February 1st, there is a "Monthly Club Coach Peer Group Meeting" from 7:30 pm - 8:30 pm. On February 21st, there is a "(DEC) District Executive Committee Meeting (Online, time to be confirmed)" from 9:00 am - 12:00 pm. On February 25th, there is an "Online Pathways Workshop - February 2026" from 7:00 pm - 8:00 pm. On February 27th, there is an "Online meeting of Top Table" from 7:00 pm - 8:00 pm. On February 28th, there is a "Combined area S1 and S2 evaluation and international (location TBC)" from 8:00 am - 1:00 pm. A blue circular icon with a white person symbol is positioned to the right of the calendar grid.
