Club Support – what clubs would benefit from additional support, and what support is required?

A committee of representatives from clubs in Rotorua has formed, to work on executing the approved club promotion plan, using surplus funds from the 2025 District Conference. They have scheduled the Toastmasters Information Session for a Sunday afternoon in May, and the Speechcraft classes will take place after that session.

New Clubs – Prospects, leads, clubs in formation

What is the progress, and what support is needed?

I worked with Marlene to send a request-for-interest email to members in Hamilton, regarding the potential creation of a Pasifika-focused club in Hamilton. To date, no one has responded.

Division Events

What events have been held, and what feedback have you received?

For example – COT, Area or Division council meetings, Area or Division contests, workshops etc

Division Council meetings: Monthly, on the second Friday
Division Conferences: 8 November, 28 March
Hamilton Table Topics Walk: 1 February
Selwyn Bennett Challenge, Rotorua: 31 March
All Area and Division Speech Contests have been completed

What events are being planned, e.g., club anniversaries, DTM awards etc.?

Area Director visits are underway. As at the date of submission, nine visits have been entered, with four reports completed.

Challenges

What challenges is the Division facing, and what potential solutions/assistance is needed?

Issues	Solutions
Area C6 Director, Peter Drew, is unable to complete the second-round club visits during the scheduled window, due to illness and prolonged recovery.	Work with experienced Toastmasters – ideally, past District officers - to cover the visits and submit report data to the Area Director or Division Director for online submission.
