Support

Club Coaches - what clubs have a coach appointed, and what clubs still need a coach appointed?

Karaka, Pokeno, Thames, Ellerslie TALK and Papatoetoe, – I'm aware have appointed coaches. Some others could be eligible for a coach, however again, would expect to see further renewals in over the next 1-2 weeks

[Empty box]

Club Support – what clubs would benefit from additional support, and what support is required?

Pokeno – marketing boost to support a structured 6-month plan
AD mentions of Pathways and mentor support – though unable to clarify if this was internal or external at time of typing, Either way it feels more club members would see value in this as many experienced people I've seen still grapple with changes – let alone upcoming ones

New Clubs – Prospects, leads, clubs in formation

What is the progress, and what support is needed?

NB Consulting was chartered 09/01/2025. “Still early days for this new club, and like many, recent renewals cloud the impact on membership. That said, the foundations are being put in place, with a clear plan toward DCP goals and growing engagement. A club to watch as it finds its rhythm.” with continued momentum.

Division Events

What events have been held, and what feedback have you received?

For example – COT, Area or Division council meetings, Area or Division contests, workshops etc

Several, though little feedback to mention
Both Area (for some) and Division Council meetings – no feedback
Area and Division Contests feedback - organised and run effectively

What events are being planned, e.g., club anniversaries, DTM awards etc.?

At 09/04/26 Div M Evaluation and International to be run on 11/04/26
04/07/26 Papakura plan an Open house
Howick and Pakuranga notes as “planning” an event but unclear when or what per AD's reports

Challenges

What challenges is the Division facing, and what potential solutions/assistance is needed?

Issues	Solutions
Gaining members for some	Continued marketing with district help also Open House marketing
Low member numbers	Invites other TM's to attend – better for guests
Mentions of Pathways learning/mentors	Encourage all to attend on boarding sessions
