Challenges

What challenges is the Division facing, and what potential solutions/assistance is needed?

| Issues | Solutions |
|---|--|
| Status of club support request is unclear until followed up at a later date | Clubs to be advised of a realistic timeline for support to be provided and supporting AD & DivD to be provided visibility |
| Content of COT is tailored for new club officers so those who've been a club officer before may not find value in COT and disincentivised to attend | Separate training for experienced club officers or increased involvement of experienced club officers to support the training team |
| Lack of coordination for social media promotion where there is room for further synergy | AD to work with the clubs to maximise synergies where possible (i.e. promote multiple clubs to the same catchment area) |
